

Magara Plus+

IROSARUDE

Magara Plus+

Magara Plus + is a development name, the application will carry this name until the day before delivery of the final copy.

IROSARUDE being the owner of the application, will have to provide a name and a Logo to finally define it on the application.

The establishment of a database, an online manager for the administrator and an application for the users.

At the end the application will be available on the PLAYSTORE server.

Magara Plus+

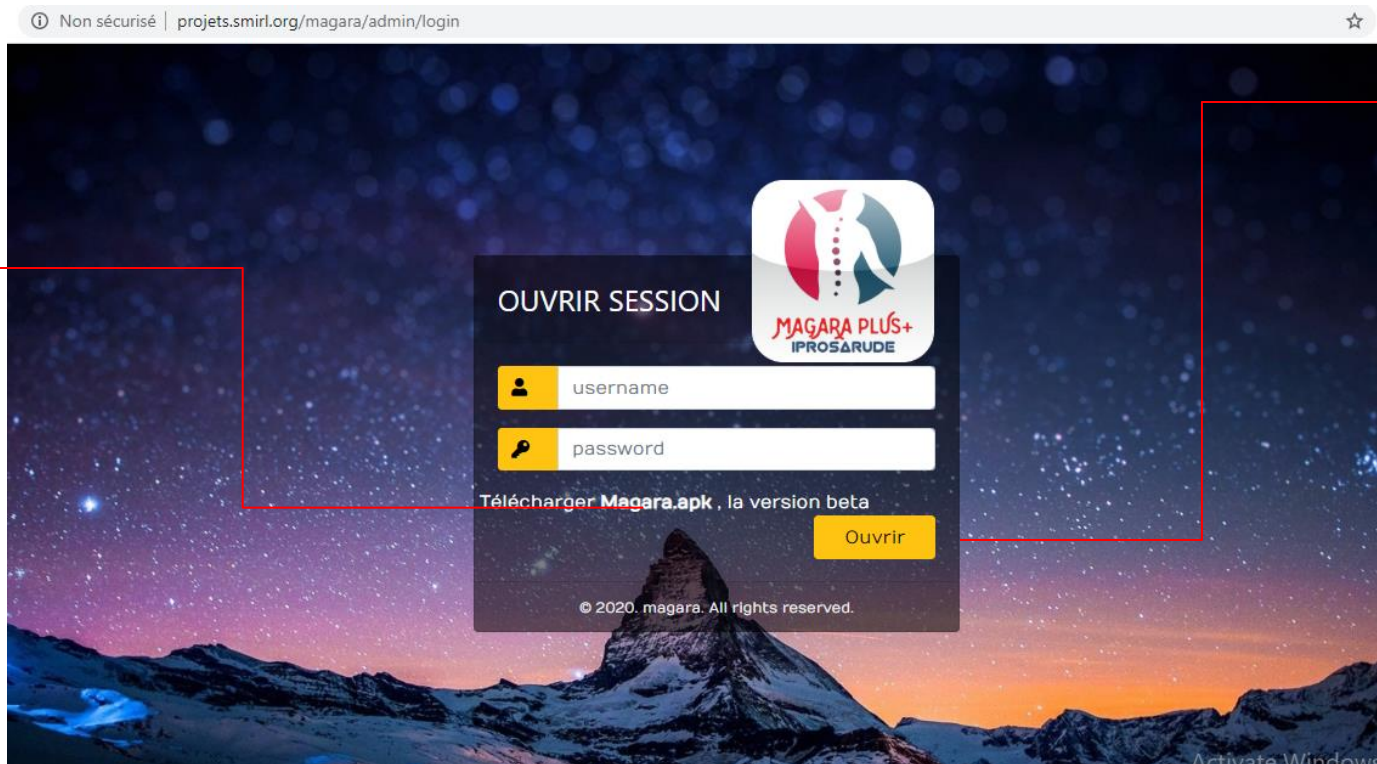

Find the project on the link: www.projets.smirl.org/Magara

Dashboard for the administrator:

Username: **admin**

Password: **admin**

To open the administrator's Dashboard with the above credentials

Button to download the Android version application

Note: The project will be available on the PLAYSTORE server after its development
